

Donna Hay

Studio Manager

Donna was Head of Events for the Institute of Contemporary Arts (ICA) in London for over ten years. Overseeing the demanding private and commercial events department of this internationally renowned arts centre, Donna was responsible for some of London's most memorable events.

Her passion for food then led her to establish a thriving and much-loved street food business, creating artisanal wood fired pizza for both public and private events.

A few years later, she sold the business and has since worked as a Studio Manager in the arts and architectural sector. She joined Structure Workshop as Studio Manager in November 2017.

She has a keen eye for detail and is passionate about art, design and breadmaking.
